HOMEOWNER'S AFFIDAVIT LOCATION OF STRUCTURE ON PLOT DIAGRAM

I, _____, am submitting an alternate building site location plan in lieu of the required survey done by a licensed surveyor for the property located at _____

I understand that there may be errors in dimension and location, therefore, I accept all legal responsibility and consequences for violation of easements, building code, zoning code and drainage.

I also agree that if I sell this residence, I am responsible for the location of this new structure just as a licensed surveyor would be.

Signed: _____
