HOMEOWNER'S PLUMBING AFFIDAVIT

I, _____, understand that doing my own plumbing installations in my personal residence is an exception to the 1997 Uniform Plumbing Code.

To be granted this exception I, _____, understand that only I can secure and sign for this permit, install all plumbing equipment myself without assistance. This installation is subject to all inspections of the local authority as prescribed by the 1997 Uniform Plumbing Code, and that I will be the sole resident and owner of this structure at _____ in the City of Jeffersonville.

I also agree that if I sell this residence, I am responsible for this plumbing installation just as a licensed plumbing contractor would be.

Signed _____
