Dear Mr. Grooms,

The DNR Division of Outdoor Recreation planning staff has received the hard copies (with original signatures) of your Rehabilitation Act of 1973 Section 504 compliance form, and the park board resolution adopting the plan. We also received the updated copy of the plan itself with discussion of the final public presentation of the plan.

The plan acceptance we previously sent you is now complete. Your park board is now eligible to apply for Land and Water Conservation Fund (LWCF) grants through our Division. Your LWCF eligibility will expire January 15<sup>th</sup>, 2014, at which point a new plan will be due.

We do ask that once your final public meeting and/or public comment period takes place, please send us an addendum to the plan (electronically via e-mail is perfectly acceptable), detailing what took place, how many members of the public participated, and a synopsis of any comments made. We will add this addendum to your existing plan document in our files.

We support your planning efforts and encourage your participation in the grant programs administered by the Division of Outdoor Recreation. If you require further information regarding planning, do not hesitate to call me at: (317) 232-4071 or by e-mail at: [gbeilfuss@dnr.IN.gov](mailto:gbeilfuss@dnr.IN.gov).

Sincerely,

Greg Beilfuss
